

Community Information Meeting: Proposed PET/CT Imaging Services

Dear Valued Patients,

We are pleased to invite you to attend a community information meeting regarding our proposal to bring advanced PET/CT imaging services to our practice.

Our goal is to provide patients with access to state-of-the-art cardiac imaging closer to home while continuing to deliver the highest quality cardiovascular care. Before moving forward, we want to ensure that our patients and community members have an opportunity to learn more about the project, ask questions, and share their thoughts.

Community Information Meeting

Date: 7/30/2026

Time: 6:00 pm

Location: 50 Maple Street Springfield MA 01103 (physical location) or

Microsoft Teams meeting (virtual)

Join: <https://teams.microsoft.com/meet/289505627175922?p=SgORFivPkDiKvFSHCc>

Meeting ID: 289 505 627 175 922

Passcode: nJ7RS9QB

During the meeting, members of our clinical and leadership team will:

- Explain what a PET/CT scanner is and how it is used in cardiac care.
- Discuss the benefits of providing PET/CT imaging within our practice.
- Address questions regarding patient safety, radiation exposure, and the proposed location.
- Listen to feedback, concerns, and suggestions from patients and community members.

Your input is important to us. We believe that open communication and community engagement are essential as we consider this investment in the future of patient care.

Whether you have questions, concerns, or simply want to learn more, we encourage you to attend. If you are unable to join us but would like to provide comments, please contact Diane McClellan at (413) 342-5305 or diane.mcclellan@hfcca.com.

To request language assistance or a disability accommodation, please contact Diane McClellan at (413) 342-5305 or diane.mcclellan@hfcca.com in advance of the meeting.

Thank you for your continued trust in our practice. We look forward to meeting with you and hearing your valuable feedback.

Sincerely,

Hampden & Franklin County Cardiovascular Associates PC
